In addition, displays, literature and discussions will NOT reference DOMOPS or Special Operations missions, tasks or units.

2. Registration for Virginia International Raceway (VIR) exhibit space must be accompanied by the required fee in order to guarantee reservation. All payments must be received within 7 days of registration and unpaid reservations will be released for resale after the allotted 7 days.

3. All VIR site exhibits must fit within the confines of their assigned space so as not to impede traffic flow, infringe on the space of other exhibitors, or violate the emergency exit routes set forth by the Virginia International Raceway. No rigid walls are permitted to be built on the perimeter in any island booth spaces without advance permission.

4. Floor/ground covering is required for all VIR site exhibits if the exhibit/demonstration at the allotted space involves potential chemical spillage (corrosives, fuel, oil, etc.) or significant heat exposure. All exhibitors are subject to fire code regulations, which include exhibits that contain flammable combustible substances. If exhibit or demonstration includes significant heat source or open flame (survival cookware as example), exhibitor must have on hand appropriately rated and certified portable fire extinguisher.

5. All exhibitors who display firearms or firearm accessories are required to render the firearms incapable of firing or discharging any cartridge, shell, round or load unless conducting authorized controlled demonstration. A trigger lock or plastic strap limiting the action is not an acceptable method of making a firearm inoperable. Any real or simulated discharge of firearms or non-powder actuated guns accompanied by an audible report is strictly prohibited. During hours when Strike Challenge is not in session, weapons need to be secured.

6. No Exhibitor shall sublet or share the whole or any part of the VIR space contracted to them. Exhibitors agree to limit the materials displayed in their exhibit area to those purveyed by the exhibitor, with the exception that other proprietary equipment may be used solely for the purpose of effectively demonstrating the capabilities of the exhibitor equipage.

7. Exhibition fees cover only those items described in the prospectus or Strike Challenge website page. Any other additional equipment needs (if available) to be contracted independently through the Strike Challenge event coordinator RFH Tactical Mobility.

8. Strike Challenge (RFH Tactical Mobility) and Virginia International Raceway (VIR) reserves the right to impose limitation on noise levels and any other method of operation, which becomes objectionable. Any distribution of literature or samples shall be limited to the exhibitor's exhibit space.

9. Strike Challenge (RFH Tactical Mobility) reserves the right to rearrange the final VIR site exhibit space plan based on unsold or unoccupied exhibit space and move exhibitors to a new location and will notify the exhibitor of the move immediately.

Exhibitor shall lease event space(s) at their sole risk. Neither the management of the host facility, Strike Challenge (RFH Tactical Mobility) nor any of their agents, servants or employees will be accountable or liable for accidents to exhibitors, their agents or employees.

12. Exhibitor assumes the entire responsibility and hereby agrees to protect, indemnify, defend and hold harmless Strike Challenge (RFH Tactical Mobility), the host facility, their officers, employees, and agents against all claims, losses and damages to persons, property, governmental charges or fines, and attorney's fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy, or use of the exhibition premises or any part thereof, including any outside exhibit areas.

13. Exhibitor acknowledges that Strike Challenge (RFH Tactical Mobility) does not maintain and is not responsible for obtaining insurance covering exhibitor's property. Exhibitors are advised to obtain business interruption and property damage and loss insurance to cover such occurrences.
